

REMARKS

I. Preliminary Remarks

The Examiner is thanked for renumbering the misnumbered claims 39-45 as 40-47, respectively.

Claims 1, 17-22, 24, 25, and 46 have been amended to place the claims in condition for allowance. For instance, independent claim 1 has been amended to include the limitations of its dependent claim 16, which was indicated by the Examiner as being allowable subject to being rewritten in independent form. Likewise, amended independent claims 25 and 46 are allowable for incorporating a limitation that is distinguishable from the cited reference. Claims 16, 36, and 47 have been canceled. New claims 48-56 have been added. It is respectfully submitted that new independent claim 48, along with its dependent claims 49-56 are allowable, *inter alia*, because none of the cited references teach or suggest a remote control with "a processor that determines an adjustment information based upon a visual test signal." Claims 1-15, 17-35, and 37-56 are pending. Reconsideration and allowance of all of the claims in view of the above amendments and the following remarks are respectfully requested.

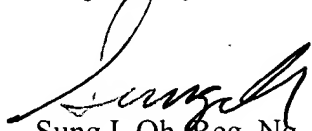

Claims 1-24 were rejected under 35 U.S.C. 112, second paragraph as being indefinite. Claim 24 has been amended to address the Examiner's remarks and to improve their form. Therefore, it is respectfully submitted that the rejection of Claims 1-24 under 35 U.S.C. 112, second paragraph, should be withdrawn. In addition, the abstract of this disclosure has been amended to address the Examiner's remarks. It is respectfully submitted that the objection to the abstract be withdrawn.

In view of the foregoing, it is respectfully submitted that the pending claims are distinguishable over the cited and applied references and are in condition for allowance. Reexamination and reconsideration of the application, as amended, are respectfully requested.

If for any reason the Examiner finds the application other than in condition for allowance, the Examiner is respectfully requested to call Applicant's undersigned representative at (213) 689-5176 to discuss the steps necessary for placing the application in condition for allowance.

The Commissioner is hereby authorized to charge any additional fees which may be required, or credit any overpayment to Deposit Account No. 07-1853. Should such additional fees be associated with an extension of time, applicant respectfully requests that this paper be considered a petition therefore.

Respectfully submitted,
